

Name : SARS-CoV-2 ORF10

Protein ID: ORF10

Length: 38 AA

Sequence:

MGYINVFAFP FTIYSLLLCR MNSRNYIAQV DVVNFNLT

You can design the peptide sequences according to the Elabscience® peptide design principle or send the demand to [techsupport@elabscience.com](mailto:techsupport@elabscience.com). Elabscience® peptide expert team will provide you with professional technical support.
