## **ETS2** Polyclonal Antibody

| Catalog No.  | E-AB-66293                                  | Reactivity | R      |
|--------------|---------------------------------------------|------------|--------|
| Storage      | Store at -20°C. Avoid freeze / thaw cycles. | Host       | Rabbit |
| Applications | WB                                          | Isotype    | IgG    |

Note: Centrifuge before opening to ensure complete recovery of vial contents.

Western blot analysis of extracts of Rat lung using ETS2 Polyclonal Antibody at dilution of 1:3000.

#### **Immunogen Information**

| Immunogen | Recombinant fusion protein of human ETS2 (NP_005230.1). |
|-----------|---------------------------------------------------------|
| GeneID    | 2114                                                    |
| Swissprot | P15036                                                  |
| Synonyms  | ETS2,ETS2IT1                                            |
|           |                                                         |

### **Product Information**

| Calculated MW | 53kDa                                             |
|---------------|---------------------------------------------------|
| Observed MW   | Refer to figures                                  |
| Buffer        | PBS with 0.02% sodium azide, 50% glycerol, pH7.3. |
| Purify        | Affinity purification                             |
| Dilution      | WB 1:500-1:2000                                   |
|               |                                                   |

#### **Background**

This gene encodes a transcription factor which regulates genes involved in development and apoptosis. The encoded protein is also a protooncogene and shown to be involved in regulation of telomerase. A pseudogene of this gene is located on the X chromosome. Alternative splicing results in multiple transcript variants.

For Research Use Only
